

AWARDS

Co-Director of CBTBR receives Order of Mapungubwe: Silver

Valerie Mizrahi, Co-Director of the CBTBR, was awarded the Order of Mapungubwe: Silver for excellent contribution in the field of biochemistry and molecular biology and contributing to the developing of genetic tools for validating new drug targets and vaccine candidates for tuberculosis. This National Order was bestowed on her by the State President of South Africa at a ceremony held at the Union Buildings in Pretoria on 21 September, 2007. The Order of Mapungubwe is South Africa's highest honour and is granted by the President for achievements in the international arena, which have served South Africa's interests.
